Demonstration diskettes with complete documentation are available on all engineering programs for \$35 each, plus \$3.00 shipping. Documentation alone is \$25 each on all engineering programs. Payment for demonstration disks can later be applied towards the full program purchase price. To order, simply circle the desired programs and note whether you desire documentation only, the demonstration disk, or the complete program. Alternatively you may order by phone as we accept Visa, MasterCard, and C.O.D. When ordering software you should decide how you would like your output headings to appear. Please send the form below or phone your preferences. Be sure to circle your preferred disk format. If your format is not listed please call so that other arrangements can be made.
