NOTES

1. Prices effective May 15, 1987 (Subject to change without notice). Financing options available on request.
2. Available tape drives are demostration units sold with new unit warranty.
3. Word processing format interfaces: Xerox 860, Xerox STAR, Wang OIS, Wang VS/WPS.
4. Typesetting interfaces: Quadex, Penta.
5. Available language packages: English, German, Dutch, Swedish, Italian, Norwegian, Danish.
6. Builders available for STAIRS™, STATUS™, or BASIS™.
7. Builders for STAIRS™, STATUS™, or BASIS™. If a FileDriver software package for both STAIRS™ and BASIS™ were ordered, the price would be $10,500. Additional copies of that combined software would still be $1,000 each.
