- Hitachi CD-ROM Player Model # CDR 1035S. Primary storage will be on CD-ROM disk, where the information is held in standard ISO 9660 (High Sierra) format.

CDWORD SOFTWARE REQUIREMENTS

- MS-DOS® 3.0 or higher
- Microsoft® Windows 2.0 (A run-time version of Microsoft® Windows is included in the package.)

There's nothing else like CDWord. It is the only *interactive* Bible program that uses "Hypertext" technology, so it thinks like you think. This means you can easily move anywhere in the CDWord library. You can go from original scripture text...to parsing the Greek...to English translation...to lexicon, or from the Bible dictionary...to your personalized concordance...to commentaries...to maps and charts...and back again—all at the touch of a button. As you go, you can gather information on any word, phrase, verse or subject in the Bible and "save" it for inclusion into your final sermon, speech, report, tract, book, class paper, lecture or other materials.

The Most Extraordinary Bible Study Tool In The World

CDWORD™

THE INTERACTIVE BIBLE LIBRARY

CDWord: No Serious Student of the Bible Can Afford To Be Without It.

Bible study comes of age with CDWord—the only *interactive* "Hypertext" Bible study aid that puts an entire biblical library at your fingertips.

CDWord contains 16 major works (see Back Panel for a complete listing), including two complete Greek texts, four English Bible texts, two full dictionaries, three Greek lexicons, three leading Bible commentaries, plus complete parsing for every Greek word and hundreds of detailed Bible maps, charts, illustrations and graphics, as well as your own personalized concordance.

In just one short, exciting session, anyone can master the basic techniques of CDWord. Then, you'll be able to move through CDWord's vast library of Bible versions, Greek texts and lexicons, Bible dictionaries and commentaries, maps and graphics with flexibility, accuracy and creativity.

Let CDWord Revolutionize The Time You Spend In God's Word.

It's hard to imagine how CDWord can multiply your productivity and impact the quality and quantity of your Bible study time until you use it. But once you do, you'll be convinced CDWord is the one Bible study tool you simply can't afford to be without!

Easy to Learn and Use. Even first time computer users will be handling CDWord productively from the very first day.

Dramatically Increases Your Efficiency. CDWord can save you hundreds, even thousands of hours each year in the "wasted" time it takes to turn pages and take down notes in the search for information.

Significantly Improves Your Quality Of Study. You'll find your sermons, reports, lessons, test scores, etc. can all be improved with CDWord... to a point you never dreamed possible!

Saves You Time, Effort and Money. No other method of Bible study compares with CDWord. It is the fastest and most efficient means ever devised to study and understand God's Word.

CDWord is a menu-driven program, so anyone — even a first-time computer user — can master it just by following the simple pull-down menus.

With CDWord "Parallel Text," you can view and compare two, three, even four or more versions of Bible text at the same time.

Now, You Can Have A "Knowledge Bank" For Bible Study At Your Command.

At the touch of your computer mouse, you can access hundreds of detailed maps, charts, illustrations, graphics, portraits and diagrams with CDWord.

One advanced feature of CDWord is the original Greek text with automatic parsings for every word in the Greek New Testament and Septuagint.

CDWord. The Most Revolutionary Bible Study Tool Ever!

Read what nationally-known Christian leaders, seminary professors, students, ministers and laymen of all denominations who have seen CDWord first-hand are saying about it:

"Once or twice in a lifetime, a better mousetrap comes along that is truly revolutionary. I place CDWord in that category. Effective Bible Study requires a commitment of time and financial resources. CDWord maximizes both of these investments better than anything else I've seen."

Dr. Howard G. Hendricks
Chairman, Center for Christian Leadership
Dallas Theological Seminary
Dallas, Texas

"I am not aware of anything available today comparable to this equipment. Because it is simple to use, thoroughly reliable, adaptable, fast... and affordable, the CDWord is worth your time and substance."

Charles R. Swindoll
Senior Pastor, First Evangelical Free Church
Fullerton, California

"This is truly one of the opportunities of a lifetime, thus for me to commend this unusual invention to our modern world. Truly, truly, the revolutionary contribution CDWord can make to the biblical student and scholar is beyond description and without end."

Dr. W. A. Criswell
Pastor, First Baptist Church
Dallas, Texas

"The CDWord program is a "hyperloop" forward in Bible study programs. Based on widely accepted patterns of serious Bible study, I predict it will make a powerful contribution to biblical exegesis for pastors and Bible teachers."

Dr. Russell H. Dilday, Jr.
President, Southwestern Baptist Theological Seminary
Fort Worth, Texas
